Smart city

Smart City Strategy – Kharkiv

The first [smart city](#) development strategy in Ukraine, developed by international consulting company Deloitte.

Universities, IT community, and city leadership participated in its development.

The Deloitte logo is centered on the right side of the slide. It consists of the word "Deloitte" in a bold, black, sans-serif font, followed by a small green dot. The logo is enclosed within a large, light blue, stylized pair of parentheses that are open on the left and right sides.

Deloitte.

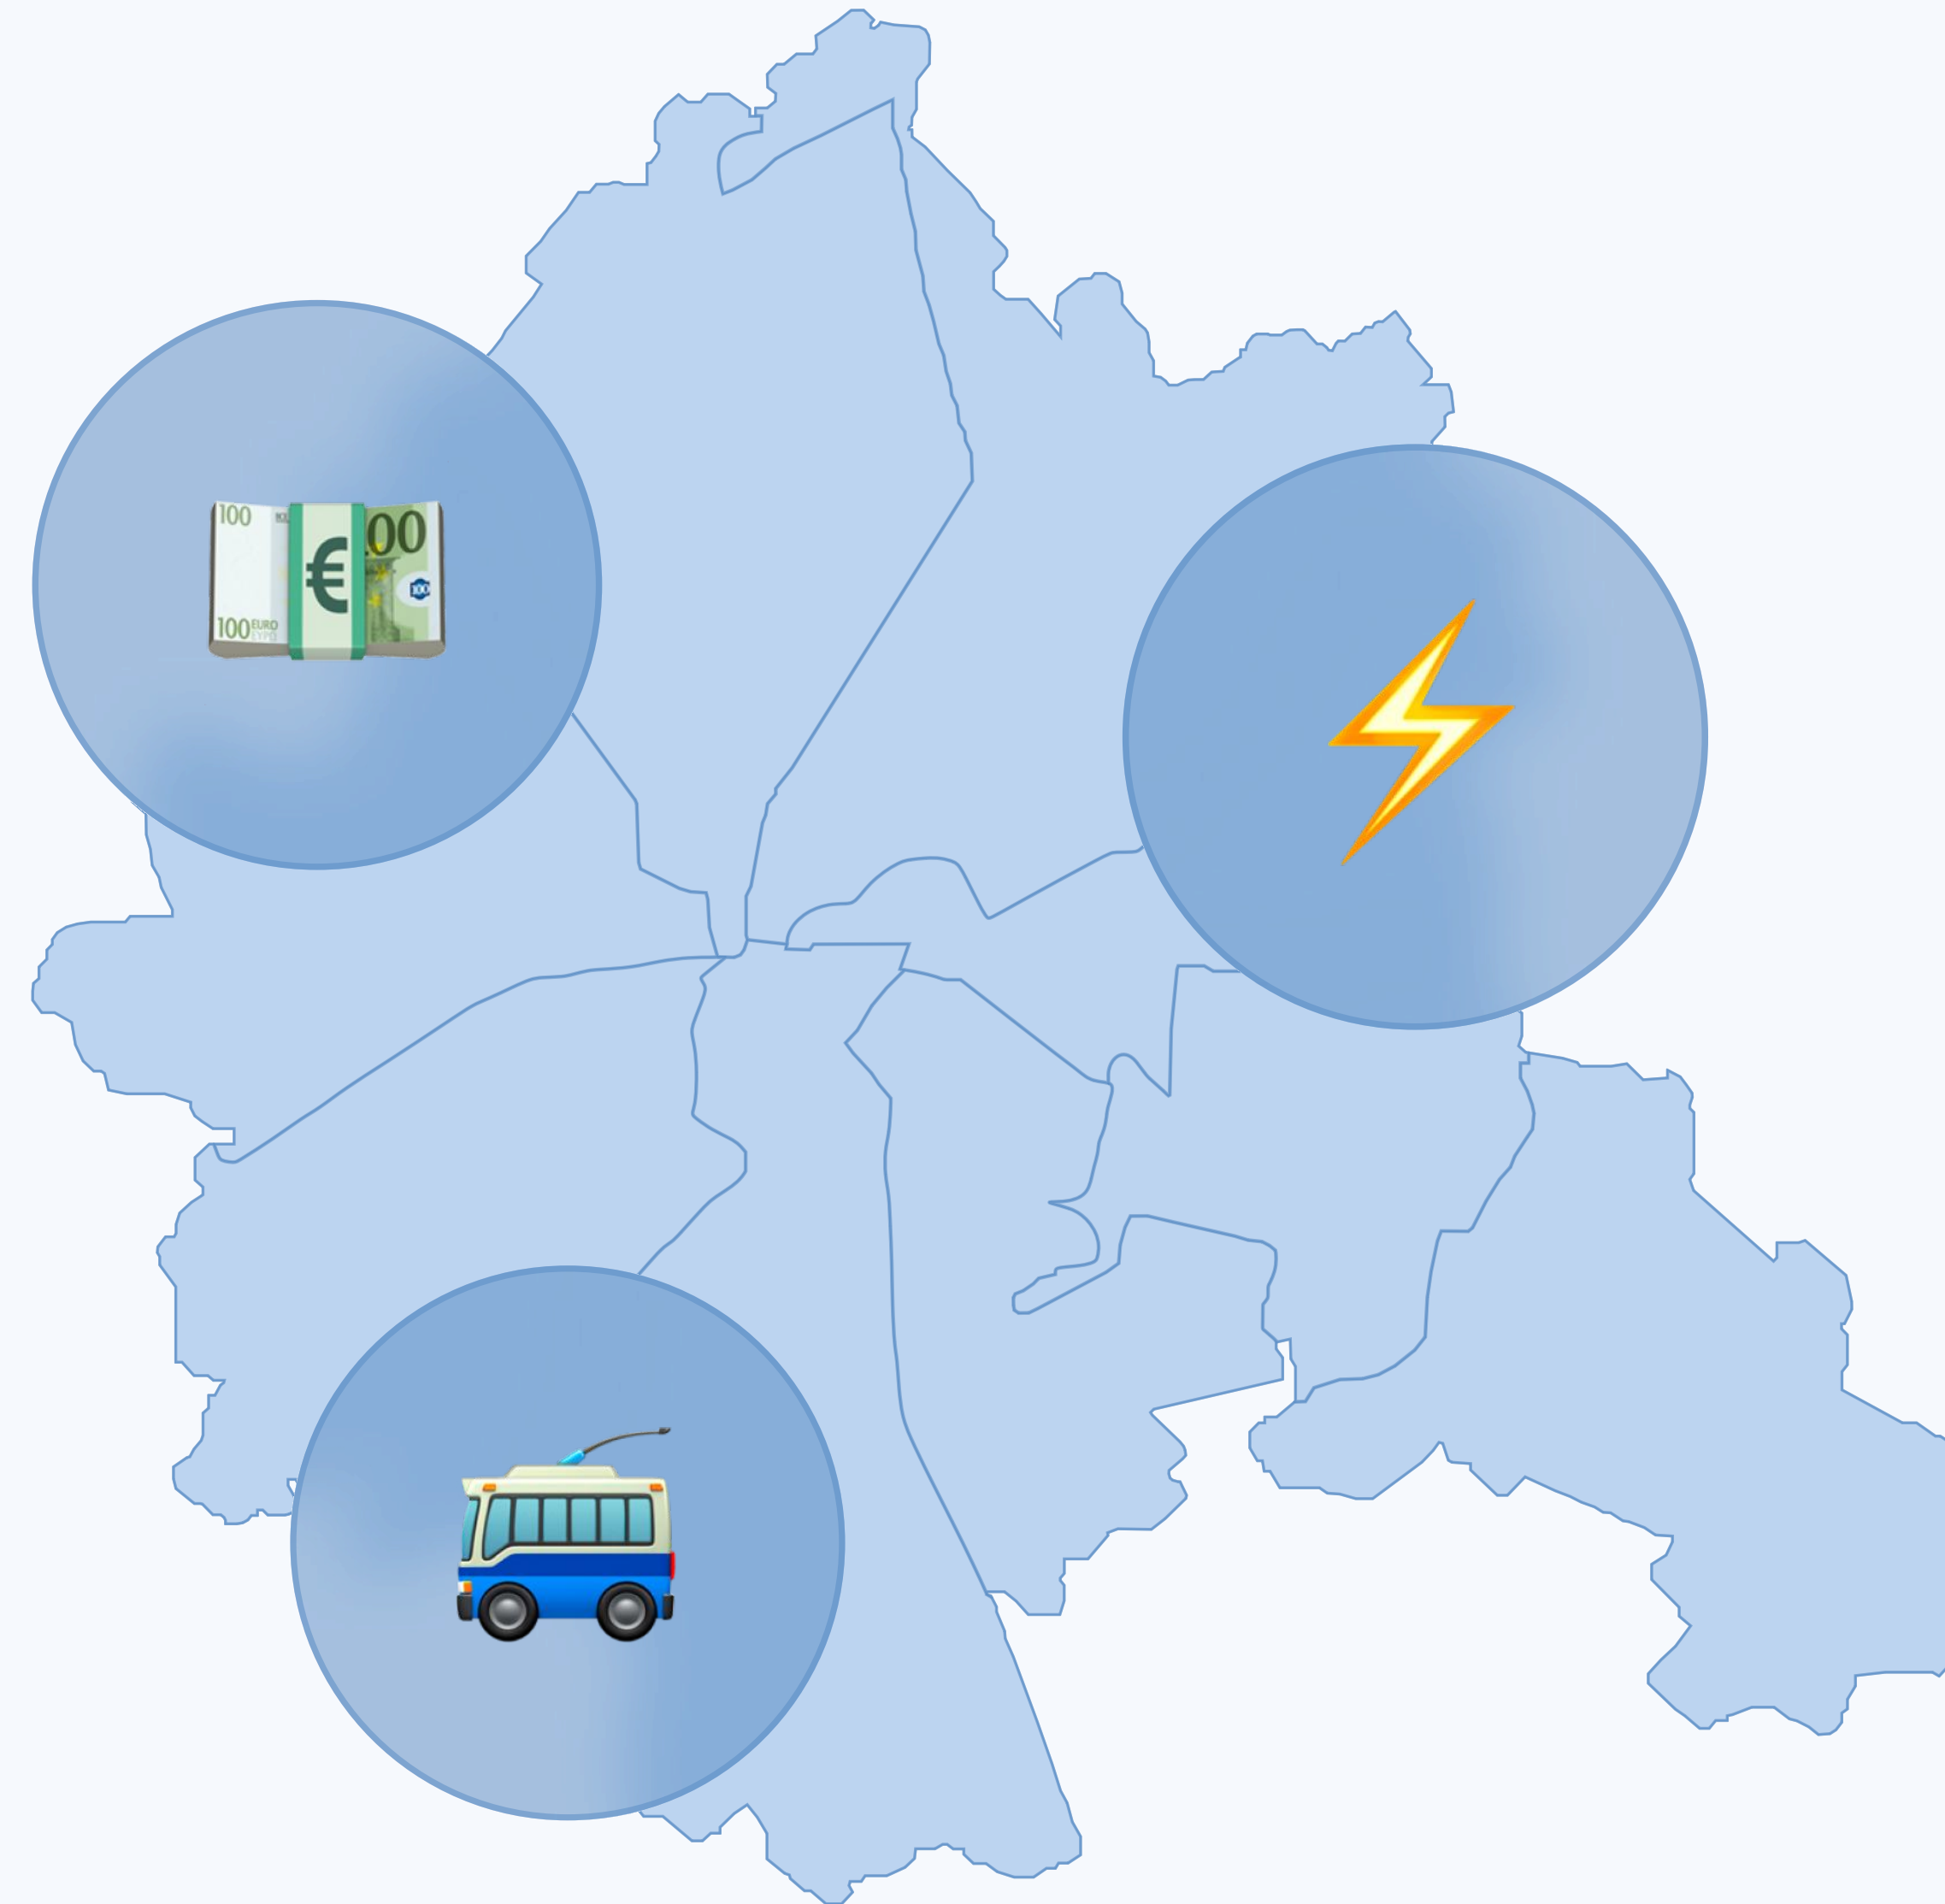

Smart city

Key Areas:

Economy • Energy • Infrastructure

Result

A 5-year strategy developed, including 9 strategic initiatives.
